

2 or 3-part equal or mixed voices
(doubled at the octave)
with piano or organ (and
optional flute or treble recorder)

All in Tune

COLNE CHORAL
CE11

Christmas Carol for two or three-part equal or mixed voices,
with piano or organ, and optional flute or treble recorder

Anonymous text

ALAN BULLARD

Lively and energetically ($\text{♩} = c. 100$)

The musical score is written in 2/2 time. It begins with a piano introduction for the piano or organ, marked *f* and *dim.* The vocal part for unison voices starts at measure 6, marked *mf*. The lyrics are: "All in tune to Wil-liam's flute Nee-la Ro-son's ta - bor, Dance to-night and sing high praise A - way and in o - ther days, Ev - 'ry kind - ly neigh - bour." The score includes a large diagonal watermark that reads "INSPECTION COPY".

* A flute or treble recorder (optional) can play the upper part of the sections between the brackets, in which case the piano / organ may omit the first four bars.

This bright and rhythmic carol is a setting of an old English text praising God at Christmas through dance, music, and friendship. The third voice is optional - if it is sung, in most cases it will be best to split the whole choir into two equal parts at b.17, and then into three equal parts at b.52. The carol can also be performed by a mixed choir with some voices singing an octave lower, and a tambourine or small drum can play the LH rhythm, throughout or for some sections. Sing this song with a sense of the dance, a smile on your face, and joy in your heart!
